Twenty-third ANNUAL REPORT

... FOR ...

YEAR ENDING 31st DECEMBER, 1933.

IN submitting to the subscribers the Twenty-third Annual Report, the Committee are pleased to be able to show another year's successful work.

The number of in-patients treated shows a substantial increase on the previous year's figures, namely, 190 as against 160, the total number of days spent by patients in the Hospital being 3,432 as against 3,309. In addition, 62 days cases were treated as against 90 in the previous year.

The percentage of cases discharged cured is very high, and this fact in itself speaks eloquently of the high standard of efficiency shown by the Doctors and Nursing staff, to all of whom the Committee wish to express their sincere thanks. Under Miss Bradbury, as Matron, the work at the Hospital goes on efficiently and pleasantly, and it is a cause for satisfaction that there has again been no change in the nursing staff, except in the case of Probationers, during the year.

As regards finance, the statement of accounts shows that the general income for the year was £1,552, and the expenditure £1,764, but as against this £200 was received from the Fete Committee and paid to Income Reserve. It is clear from this that efforts should be made to build up the list of annual subscribers, as a bad day for the annual Fete would mean a substantial loss on the year's working. The reduced rate of interest on the large holding of War Stock makes a considerable difference in the revenue.

Once more the Committee wish to thank the Annual subscribers, and the collectors and all others who have been instrumental in raising funds for the Hospital. A list of these efforts appears later in this Report. The Linen Guild especially, under Mrs. Bullen, does a great amount of valuable and unostentatious work. A notable donation was a sum of £60 7s. 10d. from the Acton Amateur Operatic Society, which was placed to the Hospital Extension Account.

The Tennis Tournament, again held at Dorfold, by kind permission of Mr. Tollemache, was a great success, and a sum of £36 18s. 8d. was received towards Revenue.

The Annual Fete was held on somewhat different lines, in a very excellent field off Wellington Road, most kindly lent by Mr. Proudlove. Aided by fine weather, it proved to be a most enjoyable event, and a sum of £200 was paid to the Income Reserve Account. Those responsible for the organization of the Fete, do undoubtedly go to enormous trouble, and the Envelope Collection and Egg Collection form no small part of the effort. The Committee offer their sincere thanks to all concerned.

During the year the Endowment Fund has received two very valuable donations in the form of legacies of £500 and £450 under the Wills of the late Mr. James Greaves and Mrs. Georgina Johnson. The Committee are very grateful for these gifts.

For some time past it has been felt that in order to keep the Hospital up to date, an X-Ray equipment was necessary, and the Committee decided to instal an apparatus. This was done after very careful deliberation and inspection of other Hospitals, and it will soon be ready for use. A fuller description of the set will form part of next year's report, and it is hoped that it will prove a great boon.
